Ron Yonkoski

We invite you to be a part of Chelsea Community Hospital's 27th Annual Auction, **Rock Out Concert Tour**, to be held Saturday, May 12, 2012. This year's event will support our goal to offer additional cancer services to the communities we serve.

As many of you know, Chelsea Community Hospital has embarked on a long-term plan to provide comprehensive cancer services to our communities. Because of your generosity through our special events, our Infusion Center opened in the fall of 2010 and is now making a positive difference in the lives of so many in our communities.

Chemotherapy and infusion, however, are just one piece of the puzzle. Radiation therapy is also an essential component of our comprehensive Cancer Center. Patients in our area who require radiation currently endure a taxing commute, often daily, to receive this service. Our goal, through our special events, is to raise the dollars necessary to **purchase a linear accelerator** so that we can provide state of the art radiation therapy, close to home. We anticipate breaking ground for the Cancer Center in mid 2013 after completion of our new facility and associated renovations.

How can you help? Enclosed please find our **Auction Donation** and **Sponsorship Agreement** forms outlining the various ways in which you can participate. We ask that you please complete the form(s) of your choice and return to our Development Office by **March 30**. A self-addressed envelope is enclosed for your convenience. All donors and sponsors will be acknowledged for their contribution in the event program, hospital publications, and newspaper ads.

We are grateful for the generosity of our supporters: vendors, physicians, local organizations, businesses and community leaders who faithfully support our mission to improve the health and well being of the communities we serve. Invitations to the auction will be sent out in March, at which time auction tickets will be available for purchase. If you have any questions, please feel free to call Patty Roberts, Special Events Coordinator, at (734) 475-4040 x3542, or contact her via email at proberts@cch.org.

Thank you for considering support of our 2012 Auction, **Rock Out Concert Tour**.

Best regards,

Johnny Mitchell
